DEVALERA RESIGNS AS HEAD OF REPUBLIC AND THEN TAKES IT BACK

Postpones Decision Until Today Pending a Vote on the Peace Treaty—Says Whatever Happens He Will Retire to Private Life—Will Not Become a British Subject

(By The Associated Press)
DUBLIN, Jan. 6.—Eamonn DeValera today before the Dail Eireann resigned his post as president of the Irish republic.
Later, however, he was understood to say that he would postpone his decision to leave office pending a vote on the peace treaty with Great Britain if the vote was taken within 48 hours. He coupled his resignation with the statement that whatever happened he would retire to private life, but almost in the same breath he spoke of selecting a new cabinet if he was re-elected chief executive. The Dail adjourned this evening at 7 o'clock to meet again tomorrow for a further discussion of the treaty. Several members told The Associated Press tonight that a vote on the treaty undoubtedly would be taken before 7 o'clock Saturday evening.
Supporters of the treaty continued to express confidence that it would be ratified by a small majority.

SMALL COUNSEL WILL ASK FOR FURTHER TIME

Want More Time to Study Bill of Particulars

(By The Associated Press)
CHICAGO, Jan. 6.—Court proceedings at Waukegan tomorrow, the date set for arguments for separate trials for Governor Len Small and Vernon Curtis, Grant Park banker, on conspiracy charges will probably be very short, it was indicated tonight.
C. C. LeFors, attorney for Governor Small, told representatives of the state today that he desired a week longer to study the long bill of particulars filed by the state Thursday. C. F. Mortimer, state's attorney of Sangamon county, who arrived here last night from Springfield, announced after a conference with attorneys for the prosecution that the continuance asked by the defense would not be agreed to out of court.
While he said it was a matter for the court to decide, he indicated that the prosecution would offer no objection of a continuance until Jan. 16, the date suggested by the defense, were asked.

WANT LEGISLATION TO PROTECT PUBLIC

(By The Associated Press)
CHICAGO, Jan. 6.—The National Dairy Union at a meeting today passed a resolution asking congress for legislation which will "protect the public and the dairy farmer from the fraudulent manufacture and sale of filled milk."
The dairy union which has waged a campaign against oleomargarine, in its resolution asserts that both oleomargarine and filled milk are dangerous frauds on the public.
Officers elected by the dairy union follow:
President, M. P. Hull, Lansing, Mich.; Vice president, J. H. Credicott, Freeport, Illinois; Treasurer, George Caven, Chicago; Secretary, A. M. Loomis, Washington.

MR. EPLER MAKES FINE INSURANCE RECORD

The post of third vice president of the Green Signal club of the Illinois Life Insurance Co., belongs to Earl N. Epler, of this city. Mr. Epler, who is district manager for the company, received a telegram yesterday from R. W. Stephens, vice president of the company, stating that the honor had come to him.
Mr. Epler ranked fourth in the state in the volume of business written during 1921 and because of this record will hold the office of third vice president during the coming year.

TO LET BIG OIL CON-TRACT AT CHAMPAIGN.

R. W. Cocking accompanied by Roy Scott, left last night for Champaign to spend a number of days. A contract will be let in that city next Tuesday for two and one-half million gallons of road oil. This is the first letting of large size for the 1922 business and a number of contractors will be present when the bids are opened. Mr. Cocking says that the indications are for a very active year in road oil work.

SENATE BEGINS DISCUSSION OF NEWBERRY CASE

Expect Newberry to Appear in His Own Defense

(By The Associated Press)
WASHINGTON, Jan. 6.—The senate began today its final discussion of the Newberry case precipitated by the contest of Henry Ford against the seating of Truman H. Newberry of Michigan, his Republican opponent in the 1913 election, and was told by Senator Spencer, Republican, Missouri chairman of the senate privileges and elections committee, that Senator Newberry himself would take the floor Monday.
The subject under an unanimous consent agreement will remain continuously before the senate until disposed of. A vote is expected some time next week.

During the debate today, crowds filled the galleries in anticipation of a bitter fight and they would not be said to be disappointed, for at the outset, Senator Caraway, Arkansas, launched an attack on the Newberry supporters for the position he said they were preparing to take, while Senator Spencer and Senator Williams, Mississippi, soon joined in the debate.
When Senator Spencer announced that he had been informed Senator Newberry would take the floor Monday it was said by leaders that it would be the first time in the two years since his election that the Michigan senator has addressed the senate. There was also a prospect of a speech tomorrow by Senator Townsend, Mr. Newberry's Republican colleague who was said to be prepared to speak in defense of Mr. Newberry. It was Mr. Williams who elicited from Senator Spencer the statement that Senator Newberry would speak in his own defense Monday.
Senator Williams said he desired to hear the defense to be offered in the hope that Mr. Newberry could give reasons why he should retain his seat and "not disgrace not only his own good family but the good family of his wife."

"I have known his family, a long time," continued Mr. Williams, "I am very fond of them." There was also hurled at the Newberry supporters the prediction by Senator Heflin, Alabama, that the American people will lash out of the senate chamber every man who casts a vote for Newberry.
As heretofore, the fight of the Democrats was directed chiefly at the claims advanced that Mr. Newberry was unacquainted with the activities of his primary campaign committee and therefore was not responsible for its actions. It was this committee which Mr. Ford has charged spent approximately \$250,000 to win the nomination and election. Attacks also were made on his attitude of silence, which Mr. Newberry has maintained.

SAYS BANKRUPTS ARE HIDING ASSETS

(By The Associated Press)
CHICAGO, Jan. 6.—Charges that many farmers, merchants and business men in McHenry county, Illinois who have gone into bankruptcy, are hiding their assets and committing perjury were made today by Vincent Lumley of Woodstock, Ill., state's attorney of McHenry county who conferred with Charles F. Clyne, United States district attorney, about the alleged condition.
Mr. Lumley asked Mr. Clyne to watch for perjured testimony when bankruptcy cases from McHenry county are heard in the federal courts.
"The banks in Woodstock, Harvard Marengo and elsewhere about the county are afraid to enforce collection on notes from farmers, for fear the latter will not make correct statements of assets," he charged.

ORLEANS COUNTRY CLUB HAD MEETING

Members of the Orleans Woman's Country Club were entertained at the home of Mrs. George Holly near Arnold recently. There were nine members and five visitors present and the session was an interesting one. An excellent paper was read by Mrs. Scott on "Insect Borne Diseases." Miss Elizabeth Holly added much to the interest of the occasion with several piano numbers. Roll call was responded to with "My Favorite Magazine."

The hostess served delicious refreshments, after which the club adjourned to meet on Tuesday, Jan. 17, with Mrs. Anna Drury.

POSTPONES APPOINTMENT

Boston, Jan. 6.—Judge Crosby of the supreme court today announced postponement of the appointment of Fred M. Lamson of this city as temporary trustee of the Christian Science Publishing Society. Both the board of trustees of the society and the board of directors of the First Church of Christ, Scientist, had agreed that Mr. Lamson should be named.

Issue Warrant For Arrest of Cashier

(By The Associated Press)
ST. LOUIS, Mo., Jan. 6.—An order for the arrest of A. O. Meininger, cashier of the Night and Day bank, which was closed here today with the official announcement that a shortage of \$260,000 existed, was issued late today. According to Henry Hohenschild, president of the bank, which is capitalized at \$150,000 and has a surplus of \$15,000, Meininger has been missing from the bank since Wednesday.
Circuit Attorney Sidener ordered the arrest of the cashier, and said he would start a grand jury investigation. The shortage was discovered when examiners noticed when the customary daily statement of cash on hand furnished by Meininger had not been made for several days.
State Commissioner of Finance J. G. Hughes said he would not issue a statement regarding the affairs of the bank for some time.
No trace has been found of Meininger since last Wednesday. At that time, a bank employee called Meininger by telephone at his home and informed him some bank examiners were waiting for him. Meininger informed the bank employee he would arrive shortly. A search instituted since then has not developed a trace of his whereabouts.
Deposits in the bank amount to approximately \$3,000,000, it is announced, with a major portion in savings accounts. About 15,000 depositors are affected.
The bank carried a blanket bond of \$75,000 against defaulting by any employee.

MOTHER'S METHODS BETTER THAN ANY SCHOOLS CAN OFFER

Speaker Utters a Great Truth at Convention

(By The Associated Press)
KANSAS CITY, Mo., Jan. 6.—"Don't tell mother she is all wrong in her methods of keeping house. Study her methods and get experience no school can offer."

This was the advice of Miss Bebe Taylor Rosa, University of Missouri, as to the proper attitude of high school students on home economics, as expressed at the fifteenth annual convention of the National Society for Vocational Education here today.
Miss Rosa suggested that a course in the "wise spending of time and money would be invaluable."

Dr. Florence Brown Shehon, University of Kansas, discussed what should be taught in secondary schools, regarding the care of children.
Dr. J. L. Bogart, Kansas State Agricultural college, discussed the teaching of science.

PERMITS RECEIVERS TO DELIVER ORDERS

(By The Associated Press)
CHICAGO, Jan. 6.—On petition of the Central Trust Company as receivers for E. W. Wagner & Co., grain brokers who recently failed, Federal Judge Landis today entered an order permitting the receiver to deliver 200,000 bushels of grain and 100,000 pounds of lard to various firms that placed their orders with Wagner & Co., before the failure. The order of Judge Landis gives the receiver permission to sell the furniture of Wagner & Co., in twenty-one different cities.

TEN THOUSAND MEN ARE PENNILESS IN CHICAGO

CHICAGO, Jan. 6.—Ten thousand men are penniless and walk the streets in Chicago during the day and one thousand sleep in the open at night, a sub-committee reported to the city unemployment commission today. The commission voted to seek an appropriation of \$18,000 to be used in operating municipal lodging houses and to ask the city council to open eighteen municipal bath houses to the homeless unemployed.

WOMAN IS NEAR TO DEATH WHEN BUGGY CATCHES ON FIRE

Flames Are Extinguished by Farmer's Quick Action

(By The Associated Press)
NAUVOO, Ill., Jan. 6.—Mrs. Oliver Argast of Appanose township near here today is recounting to her friends her narrow escape from severe burns or death averted by the quick action of Ralph Mackie. Mrs. Argast was driving past the Mackie home when he noticed smoke pouring out of the back of the buggy which was being driven against the wind.
Yelling at Mrs. Argast to jump from the vehicle Mackie caught here as she reached the ground, her clothing in flames. At Mackie's command Mrs. Argast laid down in the mud by the roadside while he extinguished the flames.
It is believed that the fire began when a match laying on the bottom of the buggy was ignited and set fire to the lap robe.

WANT AMENDMENT OF FEDERAL RESERVE ACT

Washington, Jan. 6.—Inclusion in pending legislation to amend the federal reserve act of directions to select representatives of agriculture along with representatives of commerce and industry in appointments to the federal reserve board would meet with no objections from the administration, it was said today at the white house.
President Harding it was added was of the opinion that agriculture as a primary industry is entitled to consideration along with other such industries in the composition of the reserve board.

BERLIN PAPER COMMENTS ON ARMS CONFERENCE

BERLIN, Germany, Jan. 6.—"France gave in and must always give in to the pressure of American financial interests," says the Conservative Tageliche Rundschau, discussing the submarine question today.
The paper thinks that the United States can use this power most advantageously if it desires, but laments that every concession France makes, is based on the knowledge that her debts to the United States will be paid with German reparations funds.

MAIL AND EXPRESS DESTROYED BY FIRE

OSKALOOSA, Ia., Jan. 6.—A combination mail and express car on the Newton branch of the Minneapolis & St. Louis Railroad, was destroyed by fire when the coach was upset by a broken rail near Murphy this afternoon. Two persons were slightly injured and considerable mail and express matter was lost in the fire.

RESTRICTION OF POISON GAS IN MODERN WARFARE

Elihu Root Presents Resolution to This Effect

(By The Associated Press)
WASHINGTON, Jan. 6.—A five power contract to replace the age old penalties for privacy against naval commanders who violate accepted laws of naval warfare was approved today by the armament committee of the Washington conference. It completed the Root formula for suppression of U-bait terrorism at sea and the committee then moved forward toward a restriction of gas warfare on sea or land.

Again Mr. Root drew the resolution to effect prohibition. Again an immediate five-power contract to abandon gas or other similar chemical weapons as beyond the pale of human tolerance is proposed, to be worked out later by world agreement into the fabric of international law. And again it seemed certain that under American initiative, war in future would be stripped of other horrors of German ingenuity let loose upon the world.

Italy gave prompt adhesion to the anti-gas project as a real step in the path of progress and civilization.

Adjournment of the committee prevented the views of other delegations from being present but all were said to favor the ban on gas warfare.
As the naval experts shaping technical questions in the naval limitation sections of the forthcoming treaty still were wrangling over definitions to make clear the agreements they have already reached, the armament committee adjourned on call. The navy men will complete their work tomorrow, however, and the full committee will be in a position to resume Monday with the way cleared for quick framing of the naval limitation treaty.

There was a rearrangement today of the Root formula for curbing submarine operations against merchant craft. It was divided into four separate articles.

The first restated in brief language the accepted rules of naval warfare applying to merchant ships and specifically applied these rules to submarines.

The second asked adherence of all nations to this reaffirmation of international law prohibiting use of submarines as commerce destroyers, coupled with an agreement among the five powers to adopt this rule as among themselves immediately.

The fourth was that approved today, invoking the rule of piracy against naval commanders violating the declared laws of war.
The re-arrangement left the proposal to ban submarine destruction of commercial craft standing separate as Number Four in the Root submarine formal group. And with the completion of the agreement on these four statements thru acceptance of the piracy rule modified to apply to all naval commanders and not alone to commanders of submarines as originally drawn the committee passed to the poison gas discussion.

ACCUSED MEN TAKE THE STAND

(By The Associated Press)
CHICAGO, Jan. 6.—Hershe Miller and Samuel "Nails" Norton, charged with the murder of Policeman William Hennessey took the stand today.
Both told of the quarrel that led to the shooting of Hennessey and Policeman James Mulcahy in a club room. Both asserted that Mulcahy and Hennessey were intoxicated and testified that Mulcahy started a quarrel and was later joined by Hennessey. The policeman and Miller started shooting about the same time, according to Miller and Norton. Norton said he was not armed. The case will go to the jury tomorrow.

FORMER SERVICE MEN TO TESTIFY

Lexington, Ky., Jan. 6.—Four former soldiers will testify Tuesday before the senate committee investigating charges that soldiers were executed illegally in France that they saw five men hanged at Issurville, they said today. War department records say only two were hanged there.
Charles Ringle, brother of Emmett Ringle, of Eminence, Ohio, whom they say they saw executed had them summoned to Washington they say.

JAPAN'S GRAND OLD MAN, MARQUIS OKUMA PASSED AWAY FRIDAY

Word of His Death Comes as a Shock to the Japanese Delegation and Official Washington—Was One of the Leading Figures in Japan—Founded Waseda University

(By The Associated Press)
WASHINGTON, Jan. 6.—Word of the death of Marquis Okuma, Japan's "grand old man," came as a shock today to the Japanese delegation to the Washington conference and the delegates as well as members of the Japanese embassy staff and other Japanese now in this city voiced their deep sorrow at the loss the Japanese empire has sustained. No official report of Okuma's death had been received at the embassy tonight.

Prince Tokugawa, one of the Japanese delegates to the Washington conference who as president of the house of peers had come into official contact with Okuma, said tonight:
"Marquis Okuma has achieved great things for his country. Our misfortune in the loss of Premier Hara is now made twofold by the reported passing away of this famous statesman."

Okuma gave his life and the best that was in him for the development of his country."
Masanao Hanhara the vice-foreign minister who is also one of the chief delegates to the conference, received his education in Waseda University, the famous institution at Tokyo which was founded by Marquis Okuma.

Admiral Baron Kato who was appointed by Marquis Okuma as minister of marine in the Okuma cabinet and who has held the navy portfolio continuously since that appointment, gave notice of his sense of grief when told of the report that Okuma had died.
As soon as official confirmation is received members of the delegation will dispatch messages of condolence.
Marquis Okuma in addition to following affairs of state was keenly interested in all activities affecting the young men of the empire.

Okuma gave his life and the best that was in him for the development of his country."

FOUR ARE HELD IN CONNECTION WITH DEATH OF BANKER

Judge David Refuses to Release Poolroom Owner

(By The Associated Press)
CHICAGO, Jan. 6.—Judge Joseph David today refused to release Christ Peters, a poolroom owner held in connection with the killing of John Sorel, president of the Maywood State bank yesterday and theft of a \$12,000 payroll. A writ of habeas corpus was secured by Peters' attorneys but the suspect was held.
Miss Katherine Moss and Rocco De Graso were also arrested in connection with the case. Chief of Detectives Hughes announced tonight that he did not believe the Peters participated in the actual robbery and killing but asserted they knew why did. A fourth man, who the police asserted can name the guilty parties was taken into custody tonight. His name was not disclosed.

SPECTACULAR FIRE IN NEW YORK CITY

NEW YORK, Jan. 6.—A spectacular fire of undetermined origin tonight caused damage estimated at more than \$1,000 in a six-story garment manufacturers' building in Thirty-third street, between Broadway and Fifth avenue. One fireman, struck by falling debris, was seriously injured. Six others were slightly hurt.

MINERS READY TO MEET OPERATORS ON WAGE QUESTION

Lewis Sends Message To Illinois Operators

(By The Associated Press)
INDIANAPOLIS, Ind., Jan. 6.—Willingness of the United Mine Workers of America to meet with coal operators in an interstate joint wage conference whenever it is assured that the operators of the whole central competitive field will be represented is expressed in a telegram sent by President John Lewis today to Illinois operators. The message was in response to one received from the Illinois Operators in which they insisted upon convening of a meeting to discuss negotiations of a new wage scale.
Mr. Lewis' message said the cancellation of the meeting at Pittsburgh to have been held today for the purpose of selecting a date and meeting place to negotiate a new wage agreement following refusal of the operators of Western Pennsylvania and Ohio to participate and a suggestion of Indiana operators that it would be futile to hold the meeting without adequate representation of all fields.
"The mine workers representatives," said President Lewis' message, "are equally as willing and anxious as are the Illinois Operators to participate in such a meeting at the earliest possible date that can be arranged and will assist in every way in the convening of such a session in compliance with the provisions of the basic state agreement. The fault, however, lies with the operators of the Central Competitive Field and I would suggest that your respective associations communicate your views in the premises to the operators of the other three states with the hope that they may be influenced to carry out the provisions of the joint agreement in this respect."

The message was sent to Rice Miller of Hillsboro, Ill., president of the Illinois Coal Operators' association; W. K. Cavanaugh, St. Louis, president of the Fifth and Ninth districts operators, and H. C. Adams, Chicago, president of the Central Illinois Coal Operators' association.

AGAIN PAY TRIBUTE TO THEODORE ROOSEVELT.

NEW YORK, Jan. 6.—Another tribute to the memory of the late Theodore Roosevelt was paid today, on the third anniversary of his death, when his sister, Mrs. Robinson, unveiled a tablet near the desk he occupied as commissioner in the old police headquarters. The tablet bears the inscription:
"This tablet placed in the office occupied by Theodore Roosevelt as president of the police board 1895-1897, in grateful appreciation of his services and inspiration to the police force of the city of New York."

Perhaps, after all, Miss Baker's liking for publicity has just as much influence as her nervous collapse in her affair of keeping Mr. McCormick waiting at the church. Some sensational stunts in the past have given evidence of this publicity liking.

In Decatur people are very much excited over the prospect for an oil field. A well was shot the other day and is said to be on a fifty-barrel basis. Jacksonville had the same sensational feeling just a few years ago and now people here would refuse to be

excited over an oil well unless the initial performance put it beyond the fifty-barrel class.

The demand for bonds and stocks is now so active that no doubt the securities of utility companies will soon again be in demand. Certain it is that these companies can do practically nothing in the way of expansion until the investing public again has faith in their ability to earn money for share holders and bond buyers.

Senator Capper, even in the midst of disturbances, has faith in the future of agriculture. The senator has just secured a controlling interest in three more farm publications. He already owned several of the same class and his holdings along this line are approaching the monopoly mark.

Bloomington Rotarians have just guaranteed a Boy Scout fund of \$8,000. The general campaign for this sum had resulted in only a \$2,000 guarantee, but the Rotarians have come to the rescue and have guaranteed the amount needed for a first class council work in the Boy Scout movement. Certainly that is showing a genuine interest in the work.

To tell a boy to choose some man as an ideal of conduct and to give the preference in selection to his father, is a bit of excellent advice. Such was the counsel given to a group of Jacksonville lads yesterday. Perhaps not all the message was for the boys, for what grown-up could listen to such advice without a creepy sort of wonder as to just what kind of an example his life would furnish.

This reminds one of the now-popular church motto: "What kind of a church would this church be if all its members were just like me?"

TAXES DESTROY ENDEAVOR
Percy H. Johnston, president of the Chemical National bank of New York, writing on "The Confiscation of Wealth," for The Forum, for January, says of present business conditions: "The rich man realizes that being the possessor of property he should contribute more toward deferring the cost of operating the state than his less fortunate brother, but he does object to what seems to him to be confiscation by due process of law."

"Should his business ventures this year prove unsuccessful, he is obliged to assume the entire loss while he is still liable for enormous taxes because of last year's profits. He is playing a game by the rules of which, if he is successful, the government claims a large part of the profits. Should he be unsuccessful, the total loss is to be borne by him. This means that he is not justified in assuming the risks of trade and he, therefore, diverts his wealth from channels of development and production into the stagnant pools of tax-exempt securities. Thus an end is put to those enterprises of a venture-

FATHERS AND SONS MET AT ROTARY LUNCHEON
Occasion Will be Memorable on History of the Club—Fine Address by Rev. M. L. Pontius and Judge H. P. Samuel.

The father and son luncheon of the Rotary club Friday at the Pacific hotel was recorded as a very successful event. Practically every member of the club present brought a boy with him, either a member of his own family or some friend, and the age range ran all the way from six years up to thirty-five.

The program was one which all could appreciate. There was mass singing and then came brief addresses by Rev. M. L. Pontius and Judge H. P. Samuel. Before adjournment President Riley had each one of the boys introduced and the whole occasion was one in which real comradeship prevailed. The addresses were meant primarily for the guests but much that was said was fully applicable to the Rotarians and gave them food for reflection. The list of guests present included the following:

The Guest List.
Richard Daley, Edward Young, Jimmie Vosseller, George Metcalf, George W. Adams, Bobbie Green, M. A. Carlisle, Frank Dolan, Gene Darr, William Milligan, Clarence Paterson, Harry A. Perrin, Jr., Stewart Sparger, Jay Hamilton, Eugene Boyer, Max Thompson, Paimier Shiele, Harold Lair, John McNamara, Otis Smith, John Snyder, Lee A. Sullivan, Charles Hooper, Tommy O'Brien, Billy Walton, Carlton Hook, Fred Hook, Floyd Webster, Yale Pontius, Jimmy Hehl, Francis Ploner, Billy Fay, C. Arthur Reeve, William Blackburn, Fohnt J. Andrews, Jr., Harry M. Capps, Jr., Henson Pontius, Henry John English, Donald Smith, Harold and Tommy Hooper, Murrell Taylor, Robert Bentley, Verne Fielder, Leon Hackett, Sanford Copp, James Merrill, David Dawson, Edward Tomlinson, John Putnam.

Other visitors were E. O. Pence, college Y. M. C. A. secretary, Chicago; Ernest Spink of Madison, Wis., and Homer Potter of Jacksonville.

Rev. Mr. Pontius had for his theme, "If I Were a Boy," and he said that made necessary a backward journey in his life of thirty years or more. "One of the first things for a boy to do, I think, is to find the place that nature has prepared for him. Many a life is unsuccessful because wrongly placed. I remember that as a lad I determined to make myself an expert violin player. I bought an instrument and took a few lessons, but subsequent events gave ample proof that I had no musical ability whatever. I know from the experience of mature years that while I may be permitted to remain from two to eight years in a city as minister, that as a musician I would not be kept over night."

The Organized Life.
"Back of life there must be some very definite purpose. A ship without an engine as its propelling power is merely a big lumbering hulk of materials that gets nowhere. Life needs organization. Not long since I was in a steel mill and saw near one machine a huge pile of steel shavings. They were useless in that form but organized and welded into a shaft they could become the essential part of a great engine. So the purpose and characteristics and thoughts in a boy's life are just about like the steel shavings, unless there comes a time of definite purpose."

"My thought for a boy is that he make a confidant of some man in whom he has trust and confidence, that he take some man as his example and ideal. Preferably this man should be his father and if for any reason he does not have a father or the father does not measure up to the ideals, then let him choose some man of mature years and certain standing."

"Nothing, I am sure, could make a Rotarian feel more important, more worth while, than to have one of you lads come to him in a trustful and confidential way as a friend. Then if a boy has a mother he should keep close to her for there is nothing in the world like mother love and mother influence. Mother's face is the first temple toward which the boy lifts worshiping hands. Mother's knees form the shrine at which the boy kneels in prayer. Mother's hands placed upon the boy's head impart a divine benediction. Again I say, keep close to those who are older love to call mother."

MULLENIX & HAMILTON

Judge Samuel spoke briefly and said in the beginning that he did not place himself in Mr. Pontius' class as a speaker and felt some embarrassment in following him. While Judge Samuel had worth while suggestions for the boys, he evidently had more in mind the thought of impressing the men present with their responsibility for the citizenship of the coming years.

Judge Samuel said that men are naturally optimistic, that they hope for better business in days to come and that each one builds for the future of his family and seeks to make preparation for the later years of his own life. The speaker made a plea to apply these same principles to the municipality and said that the responsibility of citizenship does not end at home.

As a means of developing boys along the line of responsibility Judge Samuel referred to a successful experiment that had been tried in New Jersey city in an organization of a junior municipal government. The movement gives to boys training and responsibility and impresses them with

the needs of the community and their duty to their associates.

The speaker gave some further details of this plan, which has been in successful operation in the eastern city for the past two years. The suggestion was that if anything of the kind was attempted in Jacksonville it should be a task not only for Rotarians but for the Kiwanis club and other organizations as well. Judge Samuel wished no action taken at the time but suggested that if the Rotarians thought favorably that at some later time a committee might be appointed to make investigation and report. The club adjourned promptly at 1:30 o'clock.

INVITATIONS FOR ENGINEERS MEETING

Want All Citizens Who Can Possibly Do So to Attend Meeting at Decatur.

Mayor Crabtree and J. F. Claus of the citizens sewer committee, are sending out letters to interested citizens of the city, inviting them to attend a meeting of the Illinois Society of Engineers, at Decatur, January 24 to 26 inclusive.

The most interesting part of the meeting will be some Tuesday evening, January 24th., when officers of the various sanitary districts of Illinois will tell of their work. Chairman Field, of the Decatur Sanitary District will be the principal speaker at this time.

The Decatur district is laid out along the same lines as those proposed for Jacksonville, so the fifty some odd business and professional men invited by Chairman Claus, will be able to hear a practical message concerning this enterprise.

\$100 REWARD
Stolen from J. W. Arnold's night of Dec. 24th, 1921, one set of slip tugs, low hames, traces with steel chains, no swivels, blind bridles, one half set plain top Concord hames with joint connectors, extra long links in steel chain without swivels, hip straps. The A. H. T. A. No. 358 will pay the above reward, \$50 for arrest and conviction of thief and \$50 for return of harness.
A. C. REID, Pres.

S. S. ASSOCIATION TO MEET SOON
The Morgan County Sunday School association is making plans for a county Sunday school council to be held in this city on the twentieth of this month.

Secretary Findley is sending out letters to all of the precinct officers, Sunday school superintendents, and church pastors of the county. The details of the council have not as yet been arranged but the council will take definite form in the near future. The council is an annual affair, being required to meet once a year by the Sunday school association.

ARRANGEMENTS FOR MOTION PICTURES
St. Louis Firm Will Furnish Them—Price of Admission Probably Will Be Ten Cents

The question of motion pictures in the high school has been definitely decided by the school authorities.

Arrangements have been made with a St. Louis firm to have five entertainments, given on five consecutive Tuesday evenings, beginning Jan. 17.

The films shown will be highly educational. Altho it has not been definitely decided, the price of admission will probably be ten cents for each evening, with an hour and a half to two hours' entertainment.

Mr. Shafer and Mr. Perrin both saw the type of machine to be purchased, in use at the state teachers' meeting in Springfield, recently. The machines are very compact and easy to transport. They operate from an ordinary light wire and give excellent service. They will cost approximately \$250 each.

It is hoped that enough money will be raised thru the entertainments to buy two of the machines. This will eliminate the necessity of stopping the program to change reels and will make it possible to use them in two classes simultaneously.

The St. Louis company is giving these five entertainments free of charge, with the provision that the proceeds be used for the purchase of the machines.

The school authorities feel confident that enough money will be raised to allow the purchase of two of the machines.

STATE Y. M. C. A. MAN ADDRESSES STUDENTS

State Student Secretary Pence Talks to Illinois College at Chapel Exercises.

The students of Illinois College were addressed yesterday morning during the chapel exercises, by State Student Secretary Pence, of the State Y. M. C. A. Mr. Pence was here as the forerunner for Dr. McKaffee, a member of the faculty of the Chicago Theological Seminary, who is to come here January fifteenth to eighteenth inclusive. Mr. Pence told of the work that Dr. McKaffee hopes to do during his stay in Jacksonville.

He is coming under the auspices of the Illinois college Y. M. C. A., and Y. W. C. A. Each year these two organizations secure some widely known speaker to address the students of the college in regard to religious matters, as part of the regular Y. M. and Y. W. program. The students of the college will hear Dr. McKaffee during the regular chapel hours on January 15, 16, 17, and 18.

The college is getting into its New Year's stride and is planning to start the year right. The clubs and societies are beginning their activities again and have a number of events planned for the near future.

SUITS FILED IN THE CIRCUIT COURT.

In the office of Circuit Clerk Wanamaker a suit to quiet title has been filed by Logan W. Black with Richard Sadler et al, as the defendants. The bill was filed by Worthington, Reeve & Green.

A partition suit has been filed in the Circuit Court by Sarah J. McFalls et al vs. Elizabeth Kelly et al. The purpose is to bring a division of certain property in Roush's addition to Murrayville, owned a number of years ago by Hardin Edwards.

PROBATE COURT.

In the estate of Thomas Rea, the appraisal bill was filed showing personal property to the value of \$10,741.75. The livestock included 63 mules on Mr. Rea's farm in Woodson precinct. The men who appraised the property were Vernon Baker, W. E.

BETTER THAN CALOMEL
Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little, olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the work that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "brighten" the spirits. 15c and 50c.

WAVERLY THROWS SCARE INTO J. H. S.

Get Jump On Locals in First Quarter and Play Them Off Their Feet—Game One of Most Exciting Ever Seen on Local Floor.

Coch Huford's Waverly high school five threw big scare into Coach Mitchell's undefeated five in David Prince gymnasium Friday evening when it started with a rush and played Jacksonville off her feet in the first quarter.

Waverly has not been going good this season, that is the team has not been doing consistent work. However, she did as we predicted, put up her best game of the season against Jacksonville.

The visitors presented a defense that for the first ten minutes of play stopped Jacksonville cold. While stopping Jacksonville Waverly took the lead with a couple of sensational field baskets by Harris. Waverly quickly ran her score up to eight points in the first quarter while Jacksonville was unable to get a counter, the several shots came close.

At the beginning of the second quarter Jacksonville began to solve the Waverly defense and with Goebel injected into the game in place of Deatherage the locals began to fight and find the basket. When the half ended Jacksonville had forged to the front and led by a score of 10 to 8.

Second Half Aisi Fast.
When the teams came back on the floor for the second half they still retained their speed and fans saw some of the fastest action of the year. However, the locals would not be denied and despite excellent defensive work by Waverly they managed to break thru for baskets while keeping Waverly from scoring many points. In this half the locals rolled up 14 points while Waverly gathered seven.

For Jacksonville Hunter, Goebel and Putnam did more beautiful offensive work while Putnam and Goebel also did good work on defense. Arter and Hunt did some fine guarding for the locals taking turns in watching Harrison the lengthy center of Waverly. Harrison needed watching too, and gave the home guards all they could do.

Harris, Loving and Harrison did the best offensive work for Waverly. Harris proved an elusive forward and it required lots of speed to stop him when he started down the floor. Hughes, Alderson and Hood in the guard positions for Waverly played good ball thruout. Taken all in all the game was one of the best played here this season. Fouls were numerous but they probably resulted from the high tension under which the players were working rather than from an intention at roughness. The score:

KNIGHTS DEFEAT WAVERLY ALL STARS

Waverly's Other Team of Tossers Also Lose Here—Locals Finally Win By Score of 18 to 15.

The Knights of Columbus after a hard fight defeated Waverly's all-star team in Liberty hall Friday evening, the final score being 18 to 15.

Waverly had several men who starred with the high school team in past years, one of them being Knight who played an excellent game for his team. Sweet, a star of the Franklin high team last year also was in the lineup for Waverly and did good work.

In the second half the visitors outplayed the Knights but while they tied the score the Knights finally scored the points that won the game.

For the Knights Zell, Carson, Wolfe and Clancy did the scoring. Personal fouls were frequent as both teams were traveling at top speed. The score:

FRANKLIN C. W. B. M. MET

The C. W. B. M. of Franklin Christian church held a meeting yesterday at the home of Mrs. Paulina Wright. After roll call had been responded to with special thoughts for the new year, the general subject of the day, "The Land of the Rising Sun," was presented. Mrs. A. H. Wright gave the facts of a leaflet, "A Visit to Our Stations." Announcement was made of an all day sewing to be held January 19 at the home of Mrs. Henderson, when sewing will be done for an orphan's home in St. Louis.

CHARGES FURNITURE WAS APPROPRIATED

Riverhead, N. Y., Dec. 29.—Mrs. Robert B. Honeyman, Jr., of Chicago, sole heir to the \$4,000,000 estate of her father, John K. Stewart, speedometer manufacturer, today charged that Leander H. LaChance of Chicago, a guardian whose discharge she seeks, had appropriated some of the furniture in her father's Chicago home. A bedroom set, she asserted, now was being used by LaChance's daughter.

ILLINOIS PLAYS SHURTLEFF TONIGHT

Blue and White Team Tackle Opponents on Own Floor—Men Are in Fair Condition After the Holiday Vacation.

The Illinois College basketball team will leave this morning at 10:50 over the Chicago and Alton to play Shurtleff College at Alton tonight. This game was originally scheduled to be played here tonight but in order to avoid a conflict with the Jacksonville High School game the dates with Shurtleff were reversed, Illinois playing on the Alton floor tonight and Shurtleff coming here a week from tonight, January 14.

The Illinois players are determined to keep up the pace set previous to the holidays when Lincoln, Macomb, Normal and St. Louis University were moved down in order. After a holiday season in which turkey, cranberries, mince pie and other good things figured prominently, the Illinois players do not boast of being in tip top condition. However, the men managed to practice a few times during vacation and most of them returned to college two or three days early in order to get back into trim. The team, however has really had only two days of regular practice since the players went home to greet Santa Claus. Shurtleff will probably be in the same condition so far as physical fitness is concerned.

Capt. Mellon, Manager Antrobus, Cully, Frazer, Burrus, Farrell, Dale, Struck and Coach Harmon will make the trip. Jones who played an excellent game at guard in the preliminary contests is ineligible until he can get his studies up to the required standard.

MEREDOSIA WINS FROM CHAMBERSBURG

Defeat Visiting Team By Score of 33 to 22—Walsh and Beauchamp Star for Winners.

Meredosia, Jan. 6.—Meredosia high swamped Chambersburg high here tonight, the final score being 33 to 22 in favor of the home team.

Walsh at forward and Beauchamp at center for Meredoshia started getting a total of 31 points between them. There was but little doubt of the result after the first few minutes play as Meredoshia outclassed her opponents.

Kam and Bonrod did most of the scoring for Chambersburg. The score:

AGED RESIDENT OF GREENFIELD BURIED

Funeral of Late Mrs. E. P. Thaxton Held at Family Residence Near Greenfield—Other News from Greenfield and vicinity

Greenfield, Jan. 5.—Mrs. T. P. Thaxton died at her home near Greenfield, Dec. 27, at the age of sixty-two years. Her maiden name was Mary Flowers. She was married to T. P. Thaxton, forty-four years ago. To this union eight children were born, all of whom, with the husband and twenty-three grandchildren survive. This was the first death in the family during the forty-four years of their married life. Funeral services were conducted from the family residence at 10:30 o'clock Friday morning with interment in Oakwood cemetery.

The Violenta club gave a splendid entertainment in the Woodman hall Monday evening, Dec. 26, a Christmas tree, Santa Claus, games, music, dancing and a host of good things to eat, were enjoyed by the club members and their families.

Greenfield enjoyed another community Christmas tree in central park this year. The tree was donated by Harry Knudson and was beautifully lighted by Frank Henderson and Floris White.

On account of the inclement weather the new decorations were not used.

Friday afternoon, after the program at the high school, Santa Claus, teachers and pupils marched to the east side of the square, where Christmas carols were sung and Santa Claus distributed a treat to all the children, which had been provided by the business men.

Lee Ford, of Champaign, and Miss Dorothy Ford of Jacksonville, spent the holidays with their parents, Mr. and Mrs. Will Ford. Miss Emily Cravens, of Shurtleff college and Harvey Cravens, of St. Louis, are visiting at the home of their parents, Dr. and Mrs. J. A. Cravens.

Greenfield is almost normal again after the sleet storm at Christmas. There were no lights from Friday until Monday and the telephone lines are not all in working order yet.

Mrs. John Secor and children, of Alton, are visiting at the home of her parents, Mr. and Mrs. George N. Cole.

Misses Fanny and Jessie Masters, of Lyndville, are guests of their sister, Mrs. Helen Ford. Miss Brossard, our community nurse, returned Monday from her Christmas vacation spent at her home in Kirkwood, Mo.

The firm of Meng-Bell Hardware Co. has dissolved partnership. Mr. Bell has been in poor health for some time and is retiring from the business. Henceforth the store will be known as the Meng Hardware Company.

Miss Anita Metcalf, who is teaching at Le Roy, Ill., and Clyde Metcalf, who is attending business college at St. Louis, spent the Christmas vacation with their parents, Mr. and Mrs. C. T. Metcalf.

Mr. and Mrs. C. M. Parker of Chicago are guests at the home of Mrs. Parker's parents, Mr. and Mrs. E. E. Cameron. Lurten Tucker of Decatur and George McNeal, of Jacksonville, spent several days last week with home folks.

Guy Witt returned to his home Saturday after several weeks' stay at a St. Louis hospital where

Ruth Mellor returned home Wednesday after a two months' stay in Milwaukee, Wis., with Mrs. W. G. Hanson.

Misses Helen Hill and Bessie James Hawkins, students at Northwestern university, have been spending their Christmas vacation with home folks.

Claude Baglie, a former resident and prominent man of White Hall has opened a harness shop here, two doors west of the postoffice.

Wilbur Hall, of the United States navy, and Mr. and Mrs. H. R. Gillespie, of Jacksonville, spent Christmas week with their parents, Mr. and Mrs. A. L. Hall.

Mrs. Lella Burnett left Wednesday for California, where she expects to spend the winter with Mrs. Doll Metcalf.

Dale Haven of Philadelphia, Pa., is visiting at the home of his parents, Mr. and Leon Haven.

Ray Brown, Velma Holenback, and Ruth Armstrong, students at Illinois College, and Woman's college, spent their Christmas vacations at home.

Miss Bettie James of Gillespie, is a guest of Mr. and Mrs. C. L. Hamilton.

MARKETS CONTINUE IRREGULAR COURSE

By Associated Press.

NEW YORK, Jan. 6.—The stock market today continued its recent irregular and reactionary course. Dealings diminished visibly however, and there were only occasional traces of involuntary liquidation. Advances from out of town sources including Chicago were most reassuring altho the suspension of a small bank in St. Louis directed further attention to financial conditions in that section of the country. Such strength as was shown by the stock list resulted mainly from easier money rates.

Call loans fell from 4 1/2 to 3 1/2 per cent at midday the later figure represented the lowest quotation in almost six months. Time money rates are relaxed thirty and sixty day loans being liberally and on mixed collateral at 4 1/2 per cent. In private transactions loans of this character extending in some instances ninety days were reported at 4 1/2 per cent.

Oils, shippings and motors gained from yesterday's close. American and Baldwin Locomotives, Mercantile Marine preferred, American International and Mexican Petroleum were among the few conspicuously strong issues.

Rails were a negligible factor moving within fractional limits. Total sales amounted to 600,000 shares.

Substantial improvement accompanied the moderate dealings in foreign exchanges. The better tone was ascribed to latest developments at the arms conference in Washington and cables announcing that Germany and Russia are to participate in an international economic conference called by the allied supreme council.

Liberty bonds added to their recent recovery and first mortgage rails strengthened on a substantial investment inquiry but industrial issues eased and foreign offerings showed no definite trend. Total sales (par value) aggregated \$17,275,000.

Emil Reiser of Prentice made a trip to the city yesterday.

BRADSTREET'S WILL SAY TODAY

By Associated Press.

NEW YORK, Jan. 6.—Bradstreet's tomorrow will say:

"Post-holiday quite features trade and industry as a whole but the influence of counter currents in retail trade and in some of the big industries relieves the situation of some of the usual early-in-year inactivity. Thus, while preparations for sending salesmen on the road occupy wholesalers, there is some life seen in cotton goods at large primary markets. Wool is active and advancing, the goods market is quiet and raw silk is strong with December consumption 18 per cent off from November but over double last year's. In retail trade after-holiday sales, coupled with colder weather in some areas have distribution heavy wearing apparel, shoes and rubbers being in the south quiet is more marked than at the north and in Texas high temperatures and drought, which latter hurts the grain crops limits buying."

MODERATE SETBACK IN PRICE OF WHEAT

By Associated Press.

CHICAGO, Jan. 6.—Moderate setbacks in the price of wheat took place today owing largely to absence of signs of any immediate big lessening of accumulations of visible supply points. The market closed weak 3 to 1c net lower with May \$1.11 to \$1.11 1/2 and July \$1.00 1/2 to \$1.00 1/2.

Corn finished unchanged to 1/2c higher, oats a shade off to 1/2c advance and provisions up to 7c.

Much of the selling in the wheat trade especially during the last part was in the nature of liquidation confidence on the part of long having been given a special jolt by word that seaboard exporters had cancelled the purchase of six loads, 48,000 bushels.

Another bearish factor was news that Argentine wheat was offered for January-February shipment to Europe at equal to 8c under United States hard winter wheat by way of the Gulf of Mexico.

Bulls failed to make any lasting headway with reports of a better milling demand or with advances that dry, cold weather southwest had caught the crop with adequate snow protection.

The day's range of prices however was the smallest in some time. Commission houses bought on the breaks, country offerings were limited and receipts lacked volume.

Corn and oats were steadied by a brisk export inquiry for corn and by some export call too for oats.

Higher quotations on hogs gave firmness to provisions altho business was light.

CASH GRAIN REPORT

By Associated Press.

CHICAGO, Jan. 6.—Cash sales here today were 7,000 bushels of wheat; 407,000 bushels of corn including 350,000 bushels to exporters and 117,000 bushels of oats.

No. 2 yellow hard winter wheat in store received a bid of only 83c under May early, but later this was advanced to 84c discount. The purchase of 25,000 bushels of dark Northern spring wheat at Minneapolis to come to Chicago was reported.

The cash corn basis was unchanged to 1/2c better with No. 2 mixed 5 1/2c under May. The basis for cash oats was unchanged, No. 2 white 2 1/2c under May.

Car lot receipts wheat, six; corn, 300; oats, 100.

STATE HIGH SCHOOL INSPECTOR VISITOR

Extends Credit at University of Illinois—Well Pleased With Work Being Done

State High School Inspector Trembel, of the University of Illinois, was in the city during the early part of the week and spent a day inspecting the high school. Although it was immediately after the Christmas vacation, Mr. Trembel was highly pleased with the work going on, and expressed his satisfaction and approval of the spirit and morale of the school in his examination of the building. He pronounced it the most free from defects of any kind of any building in the state that has been inspected by him.

Mr. Trembel, after his inspection, extended the credit of the high school at the University of Illinois. The credit in agriculture has been extended from one to two years, in civics from one half to one year, and in home economics, from two to three years. He also transferred the physiography credit, which has been discontinued in the high school course, to general science, which has taken its place. Besides these extensions he has also added these to the credit list, one-half year in commercial arithmetic, and one-half year in industrial and economic history.

DOXAY TEAM TO PLAY CHAPIN INDEES

The D. O. K. K. team of this city will journey to Chapin Saturday night to hook up with the first independent team of that place. The Chapin team has played seven games this season and have won all but two of them. The Dokays have played two games so far this season, winning both, and a hard fought game is expected.

The Dokays are not over confident of winning as they will be greatly handicapped by the small floor and low ceiling of the Chapin hall, but will fight hard to keep their slate clean.

The Dokay lineup will be as follows:

Lucas—L. F. Wood—R. F. Covey—Center, H. Reynolds—L. G. Jones—R. G. Strandberg, Evers—Utilities. The Chapin lineup will be as follows:

E. McDaniel—R. F. Delph—L. F. Flynn—Center. W. McDaniel—R. G. O. McDaniel—L. G.

F. H. WEMPLE LEFT VALUABLE ESTATE

Inventory Shows Waverly Farms or Had Extensive Land Holdings in Three Counties.

In the probate court yesterday C. F. Wemple, administrator of the estate of Francis H. Wemple, filed inventory of the real and personal property. Judge Samuell has appointed Hugh P. Green as appraiser to fix the amount of the inheritance tax.

The inventory shows that Mr. Wemple was the owner of a large amount of real estate, mainly farm lands. However, he owned a number of properties in the town of Waverly, where he had so long been a resident and an important factor in the business life of the community.

Several large farms are included in the holdings, together with a number of smaller tracts. The lands are located in Morgan, Sangamon and Macoupin counties. One farm in Sangamon county includes 400 acres. In addition to the valuable real estate holdings Mr. Wemple is the owner of \$27,000 worth of government bonds and had cash, bank stock and life insurance totaling \$21,000. Notes and mortgages of lesser amount are also listed together with the furnishings of the Wemple home.

CHICAGO BUSINESS MAN SEEKS FACTORY LOCATION

It is the expectation that a Chicago business man, who is seeking to locate a shirt and overall factory in a down-state city, will be in Jacksonville one evening the coming week for consultation with directors of the Chamber of Commerce.

Frank R. Elliott, vice president of the Harris Trust & Savings bank, is a close personal and business friend of the manufacturer and he wrote to James Weir Elliott and C. A. Johnson of the Elliott State bank here, with reference to the matter. The local men referred the letter to Secretary Welch of the Chamber of Commerce and the correspondence followed which will result in the proposed conference.

REAL ESTATE MEN PLAN ORGANIZATION

Preliminary Meeting Held Friday Night—Committee Will Suggest By-Laws and Constitution

Jacksonville real estate men met Friday night in the office of C. O. Bayha in the Unity building, to talk over plans for the organization of an association. E. F. Johnston was chosen temporary chairman and Homer Ranson, temporary secretary.

The present state law provides a license fee of \$10 for real estate agents for \$1 for real estate salesmen, and the fact that the law makes certain requirements with which agents and salesmen must comply, suggested the association for closer relationship and better understanding between the agents and salesmen.

Such organizations are in existence in a number of cities and prove of advantage to the real estate men. A committee was appointed including E. B. Wiswell, W. E. Smith, H. C. Busby, J. H. Campbell, J. Walton Ward, Norman Dewese, George Dewese, W. A. Bancroft, Delos N. James, John Hodgson, J. A. Voltrath, J. W. Jackson, W. H. Taylor, F. W. Si-bert and Jan's Finch.

RED CROSS DIRECTORS MET FRIDAY NIGHT

Officers Elected at Meeting of Morgan County Red Cross Chapter Directors Last Night—Various Reports Presented

The directors of the Morgan County Red Cross chapter met Friday night at the public library. One of the principal matters given attention was the election of officers and the following were chosen:

Chairman—H. J. Rodgers. Vice chairman—H. M. Capps. Treasurer—W. Barr Brown. Secretary—Mrs. F. J. Heintz.

Those officers, together with J. Kelly, Charles T. Mackness, Miss Grace Carter, Vincent Riley and Dr. C. E. Black constitute the executive committee.

The reports of Mrs. Frank J. Heintz as secretary, W. Barr Brown as treasurer and Miss Grace Carter as chairman of the nursing activities committee were all presented and made a matter of record. The session was of unusual length, as general policies were discussed together with many details relating to the work of the past year and that in prospect for 1922.

The report for the month of December was presented by Miss Forward, the executive secretary. Miss Forward's work relates to the home service department. The number of cases handled was 168, of this number 24 being outside of Jacksonville.

A special report by Miss Forward gave details of the work done with ex-service men in the training center at Jacksonville State hospital. This work has taken a great deal of time but was well worth while, as indicated by the results accomplished.

The list of guests included Mr. and Mrs. Fred Leach, Mr. and Mrs. Dawson Darley, Mr. and Mrs. Homer Wood, Mr. and Mrs. Leonard Wood, and Mr. and Mrs. Gene Caldwell.

W. T. Clarkson Entertained Bible Class.

Mr. W. T. Clarkson entertained the Bible class of the Central Christian church at his home on West College avenue last evening. A goodly number of the class were present.

Mr. Clarkson was assisted by Mrs. Clarkson and Miss Katie Clarkson. Mrs. Frances McKean, Mrs. Ida Kitzer, Miss Anabel Crum and Miss Sylvia Piper. The evening was very pleasantly spent in quizzing games and music. Miss Boland and Miss Mary Manner won the prizes in the quizzing games. Miss Katie Clarkson delighted the guests with several musical numbers with Miss Anabel Crum as accompanist.

After the social hour most delightful refreshments were served.

South Side Circle Met

The South Side Circle was entertained at the home of Mrs. George Fuhr on East College avenue Friday afternoon, with a large attendance of the membership in addition to a number of guests. The program was in charge of Mrs. Lee Crawford, who presented a very interesting review of "The River's End," and gave some facts about the author's life and work. A social time followed the program and the whole afternoon was enjoyably and profitably spent.

Service Star Legion Met Friday Afternoon.

The Service Star Legion met at the American Legion Hall yesterday afternoon, with Mrs. Frances Brown, the new president presiding. There was a fine attendance of members present, with much interest shown in the work for the coming year. The regular business was transacted at this time and several new committees were appointed.

Mrs. Homer Paschall was appointed chairman of the program committee. Mrs. Douglas Smith, chairman of the magazine and floral committee. Mrs. M. T. Carrel, chairman of the publicity committee. Mr. Virgil Edwards and Mrs. Cobb were appointed to the auditing committee, and Mrs. Eckels was appointed chairman of the Service Star Relief committee.

Mrs. Edwards was hostess for the afternoon and served dainty refreshments. She was assisted by Mrs. Charles Keefe.

Central Christian Church Missionary Society.

The Woman's Missionary Society of Central Christian church met Friday afternoon at the church with Miss Eleanor Thompson as leader. The subject of the afternoon was "In the Land of the Rising Sun." The meeting was opened by the president, Miss Lydia DePew. After a short business period the following program was given:

Song—"The Hail Has Never Been Told." Prayer—Mrs. Allen Rice.

Miss Thompson then gave a very helpful and instructive address on Japan, which was followed by a prayer.

"A Visit to Our Missionaries in Japan" was given by Miss Lydia DePew.

Two new members were presented to the society, after which the offering was taken, during the singing of the hymn, "Something For Jesus." Benediction.

A meeting of the Central Christian church brotherhood was held in the church Friday evening with thirty-five at the luncheon. The guests of the church ushers. The luncheon was served under the supervision of C. L. Mathis, who was assisted by Roy Craig, John L. Tayman, W. A. Masen, G. V. Skinner, A. J. Hoover and Ben Roodhouse.

Following the luncheon the company heard an interesting illustrated lecture on Mexico by the Rev. A. P. Howells, pastor of First Baptist church.

The January meeting of the brotherhood proved to be an unusual pleasure to the members who greatly appreciated the lecture of Mr. Howells.

The February meeting will be held February 3.

BOOK PARTY GIVEN AT FRANKLIN

A delightful book party, given by Mr. and Mrs. Seymour in the honor of their friends, Mr. and Mrs. Dahman, Mr. and Mrs. Sinclair and Mr. and Mrs. Wiley, proved a pleasant social occasion. Light refreshments were served by the hostess, consisting of sandwiches, ice cream and cake, coffee and after-dinner mints.

The party began at 7 o'clock and lasted until midnight. Head prizes were won by Mrs. Sinclair and Mr. Wiley. The "booby" prizes were won by Mrs. Dahman and Mr. Seymour.

Several parties will be given in the future by different members of the club.

Mr. and Mrs. Raymond Smith were up from Concord to do shopping yesterday.

KIWANIS CLUB RECEIVES REPORT

Committee on Public Affairs Makes Report at Recent Meeting—Favors City Plan for Jacksonville.

The Public Affairs committee of the Kiwanis club has been investigating the city planning commission idea including the zoning question and has sent to the Chamber of Commerce a set of resolutions. They have also investigated and communicated with several men who are said to be peers in regard to these matters and have sent in their names to the Chamber as possible material to address local meetings.

These men include the following: Edward H. Bennett, technical advisor of the Chicago Plan Commission; Henry B. Chandler, an attorney in Chicago, who is particularly well advised as to the legal matters concerning a commission of this kind; F. S. Cushing Smith, of the Chicago Art Institute, and Myron H. West, president of the American Park Building. These men are experts in the subjects and can be secured to give the citizens of Jacksonville some real information on the city plan commission.

The following are the resolutions adopted by the Kiwanis Committee on Public Affairs:

Your president has urged a report from this committee for some time, but we have purposely delayed our report until we were satisfied that we could make a recommendation for program of work which, if adopted, would require our co-operation and sponsoring for some time to come.

Your committee has given the matter serious consideration as it has felt our organization was in need of an objective which it could work forward to without deviation of purpose.

Your committee, therefore, recommends that we lay before the Chamber of Commerce the result of our investigation and recommend that the Chamber of Commerce consider it at a Forum meeting in the near future, and that this organization adopt as one of its objectives a City Plan for the City of Jacksonville.

Your committee will not attempt to go into any details in what a City Plan is, but merely recommend that the Forum of the Chamber of Commerce bring before the meeting, speakers whom we should be glad to recommend and secure, who will discuss practical accomplishment both in this line.

The approaches, physical planning, public buildings, utilities, transportation system, parks and playgrounds and the zoning problem should be presented. Why we should have a city planning and what other cities have successfully completed are among the questions to be considered and applied to our community.

C. Y. Rowe, Chairman. Public Affairs Com., Kiwanis.
